## Job Opportunity

### CTABC-NWCSI Convention Planning Committee Chairperson

CTABC and NWCSI invite applications for chairperson of the Convention Planning Committee.

The successful applicant should be a qualified experienced teacher in Christian Schools with a vision for Christian education as understood in our “family” of schools. He/she should have strong organizational and effective communication skills as well as the ability to be flexible. It is imperative that the applicant is able to work with other professional educators in a collaborative manner.

*“In chairing this committee, I had the privilege of working alongside other educators. Through our discussions and planning, I was inspired to try new things in my own teaching, to research educational ideas and to seek additional professional opportunities. Serving as chair was truly a blessing!”*

*Yvonne DeWith, retiring chairperson*

Although this position is based on a 20% weekly time commitment, this amount varies throughout the year depending on the proximity to the convention.

Salary: approximately \$12,000.00 per year
